Full-time Warehouse Operator

As a leading producer of decorative lighting we are making a global difference with our design, innovation and quality. These are the staples to our international success.

We are looking for a team player who is prepared to roll up their sleeves and would enjoy the challenges and benefits of this role in our facility located in Baie-D'Urfé.

Key Responsibilities and Activities

- Hands on with all daily operations in the warehouse
- Picking, packing, processing and staging orders for shipment
- Load and unload trailers/ containers (manually when necessary)
- Establish, maintain and promote high standards of customer service
- Liaise with carriers, drivers, customers and warehouse personnel
- Schedules and deadlines need to be followed
- Perform other tasks as assigned
- Health and Safety compliance in accordance with company policy

Skills and Qualifications

- Fork Truck and Order-Picker Certified
- Working knowledge of SAP, RF scanners and Microsoft Office an asset
- Bilingual (French and English)

Are you ready for a new challenge? We want to meet you!
